Opening Remarks

- Welcome to the HPMS PACE Quality Monitoring Module Training
- *New Module* combines PACE Level I & II Data
 - Designed to streamline reporting, reduce burden, capture quantitative data for tracking, trending/comparison, and to inform quality improvement activities
 - Compliant with the Paperwork Reduction Package-approved by OMB July 2017

Quality Reporting & Monitoring Purpose

- Compliance with the PACE reporting regulations
 - Title 42 of The Code of Federal Regulations, §§460.140, 460.200(b)(1), 460.200(c) and 460.202;
- To improve quality of care and participant outcomes;
- Identify gaps and/or areas in need of improvement;
- Inform quality improvement activities
 - Plan, Do, Study, Act methodology;
- PACE organizations are also required to comply with reporting requirements as outlined by state and other federal agencies.

Quality Reporting & Monitoring

Overall Changes

- Technical changes
 - Data entry and system navigation
- All Level I & II data now collectively known as “PACE Quality Data”
 - Will reside in the HPMS Quality Monitoring Module
- More streamlined and standardized data entry
 - Drop down menus for required data elements
 - Open text fields provided with character limitations
 - As needed to indicate “other” and outlier type information

Quality Reporting & Monitoring

Overall Changes

- HPMS Upload Document Feature for RCAs
 - The submission of additional information and/or supporting documentation for RCAs is optional, but not required
 - This feature should only be utilized for extraordinary or unusual circumstances
 - For example, police and/or coroners reports, complex adverse outcomes, etc.

Quality Reporting & Monitoring Policy Changes

- **Reporting requirements and thresholds**
 - Clarified guidance & modified thresholds as appropriate
 - Reduced reporting in some areas
 - All PACE quality data and root cause analyses (RCAs) will be reported on a quarterly basis (with a 45 day grace period)
 - POs are not precluded from reporting data real time and/or prior to the end of the quarter
- **RCA requirements**
 - All former Level II categories, with some modifications, require an RCA
 - Must be initiated internally within 3 days & reported quarterly
 - Now consist of drop down menu's in HPMS
 - Contributing factors, actions taken, ongoing improvements, etc.

Quality Reporting & Monitoring

Modified Reporting Thresholds

- Eliminated 1st Degree Burns
- Eliminated Kennedy Terminal Ulcers
- Only *confirmed* cases of abuse will be reported to CMS
- Only unexpected deaths will require an RCA
 - Homicide and/or coroner investigation
- Other deaths reported under Enrollment Data, or
 - Other appropriate category
 - For ex., Adverse Outcome, MVA, etc.
- Census Data changed to Enrollment data
 - Enrollment denials (prospective enrollees) now included
- ER visits will now include urgent care centers

Quality Reporting & Monitoring

Discussions with CMS

- CMS Account Managers (AMs) have access to all PACE Quality Data
 - Will serve as the basis for routine review & discussion
 - May request more detail (as needed) during discussions
- All requests for reporting extensions will be reviewed & approved by your CMS AM

Important Dates

- Release of the new PACE Quality Monitoring Module
 - April 2, 2018
- Last day to report current Level II data in DMAO Portal
 - March 31, 2018*
- Due date for Quarter 2 PACE Quality Data in HPMS
 - August 15, 2018

*The DMAO portal will remain available to submit any outstanding root cause analyses due to CMS for previously submitted PACE Level II events and for related policy questions.

HPMS Resources

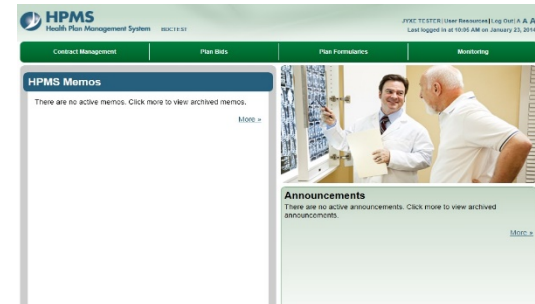

- HPMS Home Page Resources

The screenshot displays the HPMS (Health Plan Management System) home page. At the top left is the HPMS logo and the text "Health Plan Management System". On the top right, the user "TIMOTHY HOOGERWERF" is logged in, with links for "User Resources", "Log Out", and "A A A". Below this is a green navigation bar with the following menu items: Plan Dashboard, Contract Management, ACO Management, Plan Bids, Plan Formularies, Monitoring, Quality and Performance, Risk Adjustment, Cost Reports, and Data Extract Facility. The main content area is divided into two columns. The left column, titled "HPMS Memos", lists five recent memos with dates and brief descriptions, each followed by a "More" link. The right column features a photograph of two healthcare professionals in a clinical setting. Below the photo are two tabs: "Announcements" and "My Favorites". The "Announcements" tab is active, showing a message that there are no active announcements and a "More" link to view archived ones. At the bottom of the page is a blue footer containing navigation links (Home, About HPMS, Website Accessibility, Web Policies, File Formats and Plug-Ins, Rules Of Behavior, System Requirements, FAQ), a disclaimer ("This is a U.S. Government computer system subject to Federal law."), and the CMS logo.

HPMS Navigation

- HPMS General module navigation

The screenshot displays the HPMS (Health Plan Management System) interface. At the top left is the HPMS logo and the text "Health Plan Management System TEST". At the top right, it shows the user "STE TESTER" with links for "User Resources", "Log Out", and accessibility icons (A A A). Below this is a green navigation bar with buttons for "Contract Management", "Plan Bids", "Plan Formularies", "Monitoring", "Quality and Performance", "Risk Adjustment", and "Data Extract Facility". The breadcrumb trail reads "Home » PACE Quality Monitoring". The main heading is "PACE Quality Monitoring Start Page". To the left is a photograph of two women in a professional setting. Below the photo is a paragraph: "The PACE Quality Monitoring module supports the submission and review of data required by the Centers for Medicare & Medicaid Services (CMS) and the State Administering Agency (SAA) to monitor the quality and performance of each PACE organization." To the right is a sidebar titled "PACE" containing a list of links: "Data Collection" (with sub-links: "Data Entry", "Upload Data", "Request Extension"), "Documentation" (with sub-link: "Documents and Upload Templates"), and "Reports" (with sub-link: "PACE Reports"). At the bottom, a blue footer contains navigation links: "Home | About HPMS | Website Accessibility | Web Policies | File Formats and Plug-Ins | Rules Of Behavior | System Requirements | FAQ" and the text "This is a U.S. Government computer system subject to Federal law." The CMS logo is in the bottom right corner.
